## About Program

The Professional Development Program (PDP) is a 10-week career-enhancement journey that builds strong personality traits, clear communication skills, interview confidence, and professional behaviour—helping learners become polished, job-ready professionals across tech and non-tech industries.

## Key Highlights

- Personality Development & Workplace Behaviour
- Resume & CV Building
- CV Tailoring for Job Roles
- Portfolio Creation & Project Presentation
- LinkedIn Optimization
- Job Hunting Strategy
- Communication Training
- Aptitude & Reasoning Practice
- Interview Preparation (HR + Technical)

## Specially Design For

- Students entering the job market
- Fresh graduates preparing for interviews
- Professionals wanting to upgrade communication
- Anyone lacking confidence, clarity, or career direction
- Candidates preparing for abroad pathways
